

GLF 2027

Global **Longevity Federation**

February 10–12, 2027
Miami, USA

*Where Longevity Science Meets Global Innovation,
Investment & Healthcare Transformation*

Book your SLOT NOW

DAY 1 - FEBRUARY 10, 2027
THE SCIENCE OF HUMAN LONGEVITY

07:30 – 09:00 AM Registration, Networking Breakfast & Industry Expo Opening

- Executive networking lounge
- Startup showcase pavilion
- Longevity diagnostics demonstrations
- Investor networking tables

09:00 – 09:30 AM Grand Opening Ceremony

- Welcome address by Sciinov Group
- Introduction to GLF 2027 vision
- International partner acknowledgements
- VIP guest introductions

**09:30 – 10:15 AM Opening Keynote Session
The Next 20 Years of Longevity Science**

Topics:

- Biological age reversal
- AI-assisted longevity medicine
- Future of preventive healthcare
- Global healthy lifespan projections

**10:15 – 11:00 AM Plenary Session I
Cellular Reprogramming and Age Reversal Technologies**

Discussion Areas:

- Yamanaka factors
- Epigenetic reprogramming
- Senolytics
- Regenerative pathways
- Translational barriers

11:30 AM – 01:00 PM Parallel Scientific Sessions

Track A: Molecular Mechanisms of Aging

- DNA damage and repair
- Telomere biology
- Mitochondrial dysfunction
- Oxidative stress
- Proteostasis

Track B: Longevity Biomarkers & Diagnostics

- Aging clocks
- Multi-omics biomarkers
- AI diagnostics
- Predictive analytics
- Preventive screening technologies

Track C: Precision Nutrition & Metabolic Health

- Fasting and caloric restriction
- Gut microbiome and aging
- Nutraceuticals
- Metabolic resilience
- Personalized nutrition

01:00 – 02:15 PM

VIP Networking Lunch & Investor Meetups

Special Tables:

- VC-Founder Roundtables
- Pharma-Biotech Collaboration Tables
- Academic-Industry Partnership Meetups
- Women in Longevity Leadership Luncheon

02:15 – 03:15 PM

Industry Leadership Panel

Commercializing Longevity: From Research to Global Markets

Panel Participants:

- Longevity biotech founders
- Pharmaceutical executives
- Venture capital firms
- Regulatory advisors
- Healthcare strategists

Discussion Topics:

- Investment opportunities
- Clinical validation
- Regulatory approval pathways
- Scaling longevity companies

03:15 – 04:15 PM

Startup Innovation Showcase

Selected startups present:

- AI longevity platforms
- Wearable technologies
- Diagnostics
- Regenerative medicine innovations
- Digital therapeutics

Format:

- 5-minute investor pitches
- VC feedback panel
- Innovation awards shortlist

04:15 – 04:45 PM

Refreshments & Expo Networking

04:45 – 06:00 PM

Executive Forum

Global Longevity Investment Outlook 2035

Focus Areas:

- Longevity economy trends
- Venture capital landscapes
- IPO and acquisition outlook
- Emerging markets
- Public-private collaborations

06:30 – 08:30 PM

Welcome Reception & Global Networking Gala

Features:

- VIP networking
- Sponsor recognition
- Cultural entertainment
- Media interviews
- Executive introductions

DAY 2 — FEBRUARY 11, 2027
Theme: CLINICAL TRANSLATION, TECHNOLOGY & INVESTMENT

08:00 – 09:00 AM

Networking Breakfast Roundtables

Topics:

- Longevity clinics
- Women's longevity
- AI in healthcare
- Corporate wellness
- Academic commercialization

09:00 – 09:45 AM

Keynote Session II

AI, Big Data & the Future of Personalized Longevity Medicine

Topics:

- Digital twins
- Predictive healthcare
- AI clinical decision support
- Real-time biomarker monitoring
- Precision therapeutics

09:45 – 10:45 AM

Plenary Session II

Longevity Therapeutics and Next-Generation Drug Discovery

Areas Covered:

- Senotherapeutics
- Rapamycin pathways
- NAD+ therapeutics
- Peptide therapies
- Gene editing
- Clinical trials

10:45 – 11:15 AM

Coffee Break & Sponsor Interactions

11:15 AM – 12:45 PM

Parallel Sessions

Track A: Regenerative Medicine & Stem Cell Therapies

- Stem cell innovations
- Tissue engineering
- Organ regeneration
- Clinical applications

Track B: Cognitive Health & Brain Longevity

- Alzheimer's prevention
- Neuroplasticity
- Mental resilience
- Sleep optimization
- Brain-computer interfaces

Track C: Women's Health & Longevity

- Hormonal longevity
- Menopause innovations
- Reproductive aging
- Gender-based aging research

12:45 – 02:00 PM

Leadership Luncheon

The Business of Longevity Healthcare

Participants:

- Hospital systems
- Insurers
- Longevity clinics
- Health-tech companies
- Corporate wellness leaders

Discussion Themes:

- Healthcare affordability
- Insurance models
- Preventive medicine economics
- Employer wellness strategies

02:00 – 03:30 PM

Global VC & Investor Summit

Investing in the Longevity Economy

Includes:

- VC fireside chats
- Startup due diligence workshops
- Investment trend analysis
- Founder-investor matchmaking
- Cross-border investment opportunities

04:15 – 05:30 PM

Regulatory & Ethics Forum

Ethics, Regulation & Accessibility in Longevity Medicine

Topics:

- Global regulatory policies
- Ethical anti-aging interventions
- Accessibility and affordability
- Data privacy in precision medicine
- Clinical trial governance

05:30 – 06:30 PM

Poster Presentations & Emerging Research Awards

Categories:

- Student research
- Early-career investigator awards
- Translational innovation awards
- Startup innovation recognition

07:00 – 10:00 PM

GLF 2027 Executive Awards Dinner

Awards Categories:

- Lifetime Achievement in Longevity Science
- Global Innovation Award
- Rising Startup of the Year
- Excellence in Preventive Healthcare
- Women Leaders in Longevity
- AI Innovation Award

Special Features:

- Celebrity keynote guest
- Investor-hosted networking
- Media and press coverage

DAY 3 — FEBRUARY 12, 2027
Theme: GLOBAL IMPLEMENTATION & FUTURE OF HEALTHSPAN

08:00 – 09:00 AM

Wellness Morning Experience

Options:

- Longevity fitness session
- Mindfulness & stress reduction workshop
- Biohacking demonstrations
- Healthy aging nutrition showcase

09:00 – 09:45 AM

Keynote Session III

Building a Global Healthy Aging Ecosystem

Focus Areas:

- International collaboration
- Public health integration
- Aging population challenges
- Global longevity policies

09:45 – 10:45 AM

Future Healthcare Systems Panel

How Longevity Will Transform Healthcare by 2040

Panelists:

- Healthcare executives
- Insurance leaders
- Policymakers
- Hospital administrators
- Digital health innovators

10:45 – 11:15 AM

Coffee Break & Sponsor Interactions

11:15 AM – 12:45 PM

Parallel Strategic Sessions

Track A: Longevity Clinics & Preventive Healthcare Models

- Concierge longevity medicine
- Functional medicine integration
- Patient engagement models
- Clinical best practices

Track B: Corporate Wellness & Workforce Longevity

- Executive wellness
- Healthy workforce strategies
- Productivity and aging
- Mental health initiatives

Track C: Global Collaboration Forum

- International research collaborations
- Academic consortium building
- Funding opportunities
- Multi-country initiatives

12:45 – 02:00 PM

Networking Lunch & Partnership Meetings

Dedicated meeting areas for:

- Academia-industry partnerships
- Startup-investor discussions
- NGO and public health collaborations
- Sponsor engagement sessions

02:00 – 03:00 PM

Grand Debate Session

Can Aging Be Classified as a Treatable Disease?

Debate Perspectives:

- Scientific evidence
- Regulatory implications
- Ethical concerns
- Economic impact
- Public health implications

03:00 – 04:00 PM

Closing Global Summit Forum

The Future of Longevity: Roadmap to 2050

Key Outcomes:

- Strategic collaborations
- Funding announcements
- Innovation roadmaps
- Policy recommendations
- Future GLF initiatives

04:00 – 04:30 PM

Closing Ceremony

- Conference summary
- Awards and recognitions
- Announcement of GLF 2028
- Closing remarks
